

First Announcement

XV INTERNATIONAL CONFERENCE "PLASMA ELECTRONICS AND NEW ACCELERATION METHODS" September 6-9, 2021, Kharkov, Ukraine

BASIC TOPICS OF

XV INTERNATIONAL CONFERENCE

"PLASMA ELECTRONICS AND NEW ACCELERATION METHODS"

September 6-9, 2021, Kharkov, Ukraine

- I. High-current relativistic electronics**
- II. Non-relativistic electronics**
- III. New methods of charged particle acceleration**
- IV. Inertial confinement fusion**
- V. Collective processes in space plasmas**
- VI. Plasma-beam discharge, gas discharge and plasmachemistry**
- VII. Nonlinear processes in plasma**
- VIII. Applications and technology**

SUBMISSION

Before the Conference the six-page Invited Lectures and Contributed papers (oral presentations) will be published in Journal "Problems of Atomic Science and Technology", Series: Plasma Electronics and New Acceleration Methods. The papers for publication will be selected on the base of reviewing. The Proceedings will be distributed to all Conference participants during registration and to the libraries. Authors are requested to submit a file Contributions must be submitted before June 1, 2021:

(1) in electronic form. The ONLY format accepted is Microsoft WORD for Windows (all versions).

1. SECTION

1.1. SUBSECTION

The article is submitted as a hard copy simultaneously with its electronic version, prepared in the **Microsoft Word 2003** format as one file. The total length of the article is no more than 6 pages. **Language: English.**

According to Journal rules all articles should have **abstracts** in three languages: English, Russian and Ukrainian. Abstracts with title and author’s names should be placed at the end of article.

Notes for the foreign participants: translation of abstract into Russian and Ukrainian will be made according to English abstract by the members of editing group. The authors should take this requirement into account since it will have an effect on the size of article.

Authors from Former Soviet Union submit the text of the abstracts in Russian and English.

Authors from Former Soviet Union should submit an official letter from the organization where the work was done and the permission for open publication.

The general requirements for the article format are as follows:

The page format is A4. The margin: on the left is 2.5 cm, the rest ones are 2 cm. The single-spaced text type is in Times New Roman.

The title of the article and subheadings are typed in capital letters.

The title of the article, the names of author(s), affiliation(s) and the abstract are typed in one column. The main single-spaced text is typed in two columns, each being 8.0 cm in width, with 0.5 cm separation between the columns

Figures and photographs must be supplied in a black-white format and inserted appropriately in the text. Symbols and inscriptions given in figures and photographs must be clear and legible. The positioning of large figures and formulas in one column is admissible.

2. MATERIAL IS LOCATED AS FOLLOWS

The article title: use 14 pt, bold uppercase typeface without indentions, the layout is centered.

Authors (initials, names) and **affiliation(s)** (the full name of organization, town, country, electronic address,

fax and phone numbers) are typed in 12 pt, bold italicized, without indentions, centered.

Abstract.

PACS: - 10 pt.

The section: use 11 pt, the typeface is bold uppercase without indentions, centering.
